

EasyFinder

StepStone does the searching for you!

Based on your description of the person you need, we search the StepStone database, which contains more than 100.000 available CVs (*), for suitable candidates who are interested in your job listing. Moreover, we place your job listing online.

After a maximum of 30 days, we send you the CVs of the candidates that match the profile you are looking for and who have expressed an interest in your company.

We source the candidates, but it's you who makes the selection!

- ▶ We place your job listing online for 30 days
- ▶ We search the StepStone CV database
- ▶ We apply our skills and experience
- ▶ All the candidates put forward are interested in an initial interview
- ▶ You decide which candidates you would like to invite for interview
- ▶ You save time and money
